

# Christmas

## GIFT DRIVE

Supporting Local Families Served by  
Building Families for Children

Celebrate Jesus' birth and share the gift of His love with local families by picking up a few extra presents this holiday season!

Your donation will help us make sure that parents who are working hard to support their family have something special to give their kids on Christmas morning. Each gift will bring so much joy to the children in families we serve!

Please consider donating a gift for a teenage boy or girl this year!
